Wangard Partners Celebrates Ribbon-Cutting of *The Landing at Hub City Apartments* in Plymouth, WI

Plymouth, WI — September 16, 2025 — Wangard Partners proudly marked the grand opening of *The Landing at Hub City Apartments* with a ribbon-cutting ceremony this morning, officially welcoming residents, community members, and partners to Plymouth's newest apartment community.

The ceremony, held at 365 Pohlman's Way, featured remarks from Plymouth Mayor Donald Pohlman and Matt Moroney, CEO of Wangard Partners, who emphasized the importance of thoughtfully designed housing in supporting Plymouth's growth and vitality.

The Landing at Hub City Apartments features 156 modern and spacious residences, including studio, one-, two-, and three-bedroom floor plans designed for comfort and convenience. Each home includes a private entry, in-unit washer and dryer, stainless steel appliances, quartz countertops, and private balconies or patios. Select homes also offer attached parking, enhancing convenience for residents.

Community amenities include an enclosed dog park, dog washing station, electric vehicle charging stations, on-site leasing and maintenance services, and easy access to Plymouth's shops, restaurants, parks, and trails.

"The Landing Apartments is a welcome addition to Plymouth. Community developments like this strengthen our city by providing high-quality housing, supporting local businesses, and ensuring Plymouth remains a vibrant and growing community for generations to come," said Mayor Donald Pohlman.

"The Landing at Hub City reflects our vision of building with communities, not just in them," added Moroney. **"This development not only provides quality housing to greater Sheboygan County, but also strengthens Plymouth's ability to attract and retain residents who want to live, work, and grow in such a beautiful place."**

The project was developed in partnership with JLA Architects, Greenfire Management Services, Pinnacle Engineering Group, and Terracon, all of whom played a key role in bringing the community to life.

With its sustainable design, central location, and resident-focused amenities, *The Landing at Hub City Apartments* sets a new standard for modern living in Plymouth.

The Landing is Now Leasing. For more information or to schedule a tour, visit www.hubcitylanding.com
